

**A DAY IN THE LIFE  
OF A  
COMMUNITY  
HELPER**

# INTRODUCTION

Imagine waking up early and getting ready for work. You are on your way to go help people in your community.

How can you can see yourself helping the community?  
Are you going out to fight fires, treating someone who is sick, teaching young minds, or keeping the streets safe. All of these are jobs of community helpers and they work very hard making the world a better place.

You will go through this web quest and find out who our community helpers are and how they impact our community.

**E.K\_2.4 Identify how community helpers impact others.**

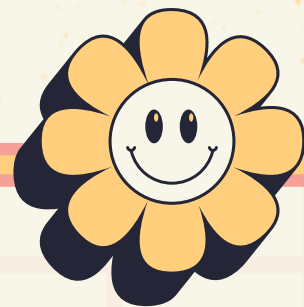

# 1ST TASK

Your first task will be to meet the our community helpers and learn how they help our community.

You will watch the videos linked in the next slides.

After you complete each video you must write one or two sentences on the worksheet telling me what you learned.

# 2ND TASK

Your second task will be to watch the read aloud.

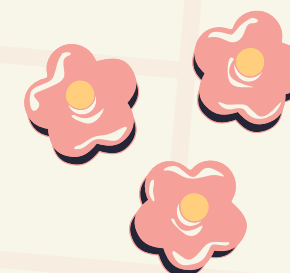

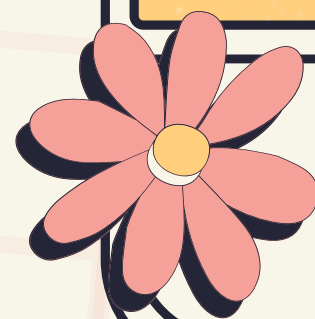

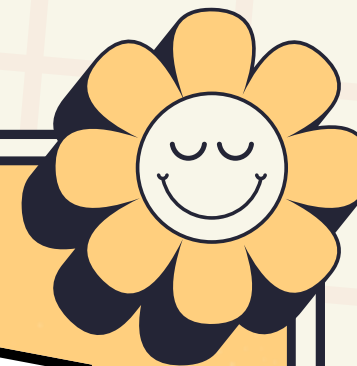

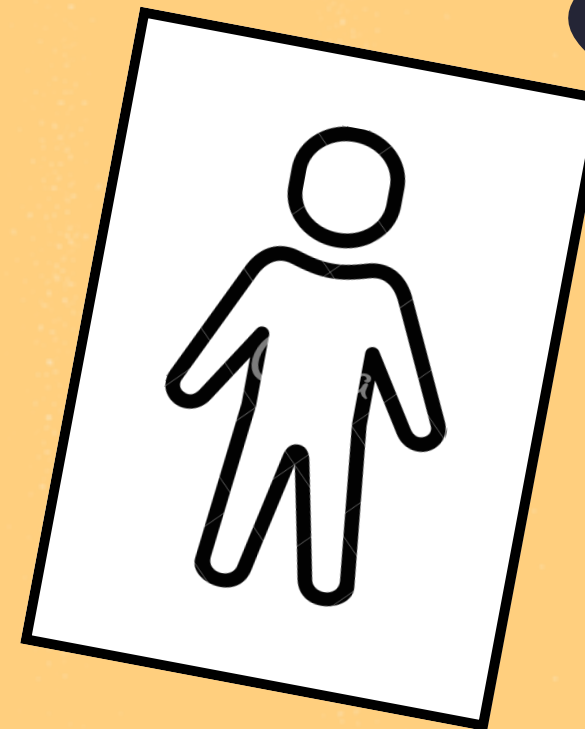

- click on the picture for the link.

What do you think would happen if the community helpers stopped helping the community?

Write your answer as a few sentences in your journal.

# 3RD TASK

Your third task will be to pick your favorite community helper and color and label the most important parts of the community helper.

# ASSESSMENT

For your final task of this web quest you will be combining all you have learned into a small presentation and share it with your small group the teacher assigns you to.

Your presentation should include:

- What is a community helper?
- How can you and I be community helpers?
- What are different kinds of community helpers?
- How do each of them help the community?

Explain each community helper we went over and answer the questions from above.

# CONCLUSION

After you have gone through the web quest think about our community and our community helpers. How do they impact us? Are you a community helper? How can you be a community helper?

Our community needs community helpers and there are many many more community helpers out there. They keep our community running smoothly.

Make sure you thank our community helpers when you see them in action next time!

**AWESOME  
JOB!**
